Career Exploration Center

162 MVR Hall
www.human.cornell.edu

Mission

The Career Exploration Center (CEC) is an educational and resource facility that supports student learning in the areas of self knowledge, career exploration, and job search skills. The CEC offers broad resources, peer education, and professional guidance.

Services

- Resume and cover letter critiques conducted by trained staff
- Assistance with online resources including Cornell Handshake
- Tips on exploring careers specifically for Human Ecology students
- Mock interviews with trained staff members who can prepare you for real-world situations
- Appointments are available with professional counselors in 172 MVR. Call 607-255-2532.

Resources

- Information about the Urban Semester Program, Study Abroad, Capital Semester, and other off-campus opportunities
- An extensive career library
- Communecology, College Newsletter (<http://communecology.human.cornell.edu/public.communecology/>)
- Internship and Externship information
- Pre-Med and Pre-Law information

Contact

Email: hecec@cornell.edu
