University
C2C® Student Design Competition Finalists Announced

Designers Go Green

The fourth annual student design competition, developed by AATCC’s Concept 2 Consumer® (C2C®) interest group and the Computer Integrated Textile Design Association (CITDA), received 140 entries representing 25 different institutions both in the US and abroad.

The finalists listed below will submit physical storyboards and final products for judging on May 5. Winners will be announced at AATCC’s C2C® interest group meeting, held during Spring Committee Meetings. Winning entries will receive cash awards of US$1,000 for first place and US$500 for second place in each sub-category, plus complimentary student registrations for the AATCC International Conference in Myrtle Beach, S.C., USA, in early 2009.
