Spring Symposium
Advances in Fiber Science and Performance Apparel
May 18, 2015
Hans Bethe Auditorium, 700 Clark Hall, Cornell University

8:30 - 9:00  Registration and Breakfast

9:00 - 9:15  Opening remarks, Jintu Fan, CIFFI Director, Chair and Vincent V.C. Woo
Professor in Fiber Science and Apparel Design, Cornell University

9:15 - 10:05  Advances in Fiber Science and Performance Apparel, Juan Hinestroza,
Professor, Fiber Science and Apparel Design Department, Cornell University

10:10 - 11:00  Nanofibers and Scalable Processes for Energy Storage and Wearable
Technology, Yong Joo, Professor, School of Chemical & Biomolecular
Engineering, Cornell University

11:00 - 11:15  Coffee Break

11:15 - 12:05  Advances in Performance Apparel, Huiju Park, Professor, Fiber Science and
Apparel Design Department, Cornell University

12:05 - 1:15  Lunch and Group Photo

1:15 - 2:05  Green Materials and Processes in Fibers and Fabrics, Anil Netravali, Jean &
Douglas McLean Professor, Fiber Science and Apparel Design Department,
Cornell University

2:10 – 3:10  Student Poster Presentations

3:15 - 3:45  Coffee Break, T Level, Human Ecology Building

3:45 - 5:00  Lab Tours and Student Exhibits, Fiber Science and Apparel Design
Department, Human Ecology Building
