

**MICHELLE L. SCOTT-PIERCE**

Associate Director of Operations/EFNEP Coordinator  
Extension Associate, Division of Nutritional Sciences, Cornell University Work Location:  
B13 Savage Hall, Ithaca, New York 14853; Tel: 607-255-9991  
Home: 162 Lower Fairfield Road, Newark Valley, NY 13811 [mls63@cornell.edu](mailto:mls63@cornell.edu)

**Academic Background**

<u>Institution</u>	<u>Degree</u>	<u>Date</u>
Binghamton University	Masters of Business Administration	2007
Empire State College at Binghamton	BS – Community and Human Services	1996

**Expertise**

Experienced in total quality management for continuous improvement of processes, protocols, and trainings. Lead development and integration of Web-based Nutrition Education Evaluation Reporting System (WebNEERS), a national system for evaluating EFNEP. Contributed SAS coding for data standardization across state EFNEP programs. Provided support for SNAP-Ed Education and Reporting System (EARS). Developed ColdFusion/SQL database-driven websites.

**Professional Focus**

Provide leadership and operational oversight for EFNEP in New York State under the direction of the Director of FNEC. Administer WebNEERS to meet reporting and evaluation needs. Lead development and implementation of training programs for EFNEP staff, including in-person and online formats.

Coordinate submission of EFNEP budget projections and expenditures. Oversee compliance with Institutional Review Board (IRB) and USDA/NIFA requirements. Represent EFNEP at state and national levels, contributing to research, evaluation, and quality assurance. Conduct program reviews and site visits to all EFNEP-implementing counties to ensure quality, safety, and adherence to funding guidelines. Produce detailed review reports and share findings with Executive Directors and Regional Coordinators.

Develop program improvement strategies, ensure compliance with federal guidelines, and lead submission of EFNEP's 5-year plan, annual updates, and budgets. Manage MOUs and contracts. Direct the EFNEP Regional Data Management team and engage in multi-state research projects to improve EFNEP delivery and evaluation.

**Professional Service**

National Service and Leadership

- **NC3169 Multi-State Research Project** (2020–present)
  - Improve standardization and methodological rigor of EFNEP evaluation
  - Develop standardized training protocols and validated Spanish translations
  - Examine content implementation and curriculum effectiveness
  - Identify best practices for teaching modalities
- **USDA/NIFA WebNEERS Workgroup** (2011–present)
  - Development of evaluation and reporting systems and diagnostics tools
  - Leadership roles in training, help desk development, and testing subcommittees

**State Service and Leadership**

- Coordinate data quality and assurance reviews of 24 EFNEP counties
- Provide technical assistance and conduct site visits for program compliance
- Develop and monitor data collection systems for SNAP-Ed reporting

---

### **Selected Honors and Awards**

- Multiple Certificates of Appreciation, USDA/NIFA (2013–2020)
- Outstanding Accomplishments in Extension/Outreach Team Award (2006)

---

### **Experience**

#### **Cornell University – Division of Nutritional Sciences**

Extension Associate	2007–present
Extension Support Specialist II	2001–2007
Extension Support Specialist I	1998–2001

#### **Alcoholism Council of Tompkins County, Inc.**

Coordinator of Education	1998
--------------------------	------

#### **MWBE Development Center, Binghamton, NY**

Director	1996–1998
----------	-----------

#### **Tioga Opportunities Program, Inc.**

Community Educator	1988–1996
--------------------	-----------

---
